- By mail: Complete the registration form and mail it, along with your original prescription, to the address on the form. AllianceRx Walgreens Prime - P.O. Box 29061- Phoenix, AZ 85038-9061

Additional ordering options after registration. Ask your doctor to e-prescribe or fax your new prescription.*

- E-prescribe: E-prescribing is sending prescriptions electronically. If your doctor is able to, ask them to use e-prescribe.
- Fax: Use the enclosed fax form or log into your online account to print a prescriber fax form. Give the form to your doctor to fill out and fax to the number on the form.

If you need your medication right away. Ask your doctor for two prescriptions:

- One for a short-term supply (for example, a 30-day supply or the amount allowed by your prescription plan) that your local pharmacy can fill right away.
- One for a 90-day supply with three refills (or the most amount allowed by your prescription plan) for your doctor to send to AllianceRx Walgreens Prime.

Free standard shipping. Please allow 10 business days from the time you place your order until delivered at the address you chose.
